

Ratings Central: Ratings for the 21st Century

Local, Regional, and Worldwide Rankings; Easy-to-Use and Powerful Website; Instant Posting; High Accuracy

The purpose of Ratings Central is to make ratings more immediate and exciting for all table tennis players, while making it as simple as possible for event directors to submit events. To accomplish this, we have developed a state-of-the-art, fully automated, online rating system.

Regardless of whether your club currently has its own ratings or rankings, now you can use Ratings Central to produce ratings for your club, thus allowing your members to find out how they rank not only within your own club, but also in your state, country, and even internationally.

You can submit results from almost any type of event that you or your club runs, including tournaments, league matches, and club matches. There are no fees to submit results from table tennis events in North America to Ratings Central. In particular, there are no sanction fees, no rating fees, and no player membership fees.

Finding your new rating and those of your friends is simple thanks to our attractive, easy-to-navigate website that provides a wealth of information. Ratings and match results are easy to browse and copiously hyperlinked. There are a multitude of options for searching for and listing players, events, clubs, and matches. Your results will be posted alongside results from international competitions from many countries, including Sweden, Germany, Japan, and France.

Data entry is a snap thanks to the easy-to-use Windows apps that we provide (you can also use a Mac if you have Virtual PC): Click a button to automatically download a rating list from our website. Select the players that are playing in your event. To enter a result, click a button and highlight the names of the winner and loser. To submit the results to Ratings Central, click a button and the event is automatically submitted.
